

Keep your audience focused on the message

Streamline mounts use compact frames to support large displays.

Perfect for:

Trade shows, corporate offices and lobbies in hotels, schools and restaurants.

Mount a large flat-screen display on a surprisingly unobtrusive cart. Tripp Lite's new heavy-duty streamline mounts support flat-panel displays up to 105 in. and 220 lb. without requiring a bulky frame.

These two cart models and stand model are ideal for permanent or semi-permanent placement of large monitors and televisions, as well as digital whiteboards and interactive displays. With built-in display security features and optional swivel casters, these slim mounts save space while offering flexible display placement options.

Key benefits

BROAD COMPATIBILITY

- Stand and carts support large flat-panel monitors, televisions, digital whiteboards and interactive touchscreens.
- Portrait model supports flat screens from 45 to 60 in. and up to 220 lb.
- Landscape models support flat screens up to 80 or 105 in. and up to 220 lb.
- VESA-compliant brackets provide hassle-free display mounting.

SPACE-SAVING MINIMALIST FOOTPRINT

- Slim metal frame saves space and keeps the focus on the message.
- Cable management clips neatly route cords and reduce cable clutter.

THEFT DETERRENCE

- Included combination lock helps prevent easy removal of the display.

ADJUSTABILITY

- Mounting brackets can be adjusted to one of three height settings before a display is mounted.

VERSATILITY

- Cart models have locking swivel casters and can be converted to fixed stands with the included leveling feet.

SPACE FOR PERIPHERALS (LANDSCAPE MODELS ONLY)

- Shelf under the display holds audio/video equipment, a laptop, webcam or other device.
- Shelf is adjustable on the DMCS60105HDS cart.

Feature focus

A Screen Positioning

Mounting bracket easily adjusts between three height settings using included hex wrench.

B Display Security

Anti-theft locking hole and included four-position combination lock deter theft.

C Cable Management

Three adjustable, removable cable management clips minimize cable clutter for a polished presentation.

D Convenient Storage

(Landscape models only)

Height-adjustable* media shelf supports equipment weighing up to 55 lb.

E Leveling Feet

Fixed-stand leveling feet prevent scuffing and help display adapt to uneven floors.

F Streamlined Design

Support equipment up to 220 lb. within minimal floor space.

Locking Swivel Casters

(Cart models only)

Replace leveling feet with rolling casters to create a conveniently mobile cart for optimal screen placement.

*Height-adjustable shelf on DMCS60105HDS only
