

Portable Digital Signage Stands

Powering and Connecting Your World

Bring Video Messages Almost Anywhere

Tripp Lite's digital signage stands are compact, portable solutions for displaying video messages.

Perfect for:

Trade shows, corporate offices, schools, healthcare facilities, retail, museums, hotels and transportation hubs.

Tripp Lite's digital signage stands offer a simple, cost-effective way to bring information, presentations, directions or entertainment to audiences in almost any setting. These portable stands accommodate flat-screen displays or interactive touchscreens up to 70 inches.

A less expensive alternative to large rolling TV carts, the stands feature quick, easy setup. They work well in small spaces and are suitable for use as wayfinders, directories or other types of temporary or permanent digital signage.

Key Benefits

BROAD COMPATIBILITY

- Models are available to support screens from 23 to 70 inches.
- VESA-compliant brackets provide no-hassle display mounting.

CONVENIENT PORTABILITY

- Stands are designed for quick and easy setup.
- Most stands fold for compact transport and storage.
- DMPDS3255CF has handles and rear casters for smooth rolling.
